PRINCIPAL’S MESSAGE

DEAR PARENTS AND GUARDIANS:

The 2018-19 school year was outstanding and I look forward to leading Silver Creek through another successful year as your principal. Last year we celebrated many student successes including: featured Downtown Doors artists; NFTE Semi-Regional Business Plan Competitors from the Career Pathway Program; two National Merit Scholars; one U.S. Presidential Scholar; award-winning NJROTC units; a CSPA yearbook Gold Medal Finalist award; 17 valedictorians; thriving community events led by ASB; CCS playoffs in G. Tennis, G. Basketball, G. Softball, Badminton, Track and Field; and much more.

We’re excited for new opportunities in the upcoming year including an updated X-Quad lawn and a new two-story classroom building, new courses such as Tech Theatre, and new sports including Girls Golf and Competitive Sport Cheer. We’re continuing our successful development in the Computer Science and Robotics programs, Performing and Visual Arts, and offering 27 AP classes, and, of course, so much more.

With our focus on Equity For All, Silver Creek’s dedicated teachers and staff members will welcome all students as they are, know each student’s strengths and their area of growth, and we will respond positively to the social-emotional and academic needs of every student. Silver Creek students will graduate with the skills necessary to be successful in college, career, and beyond.

Thank you in advance for supporting your child’s success at school and for supporting our parent groups and events. Have a wonderful school year!

Sincerely,
KELLY DAUGHERTY
Principal
