We will build capacity to attain equitable ESUHSD communities where:

- **ALL** students are **welcomed** as they are
- **strengths** and areas of **growth for all students are known and supported**
- adults **positively respond** to the social-emotional, wellness, and academic needs of every student
- **ALL** students are provided **tasks** that **demand production through and beyond DOK 3** so that they can **communicate** like a scientist, mathematician, historian, artist, literary critic and more.

The National Speech & Debate Association has recognized Silver Creek High School for earning charter membership in the organization, the highest honor schools can achieve as a part of the National Speech & Debate Association. Over the past 3 years, Silver Creek has earned more than 50 degrees for outstanding participation in speech and debate activities.

From building confidence, improving communication, and increasing critical thinking skills, to better preparing students for college, speech and debate activities provide life skills vital to a young person's success in the future.
Silver Creek High School senior, Dean C. Jones, has been named 1 of 621 semifinalists in the 2019 U.S. Presidential Scholars Program! The program is one of the highest honors available to graduating seniors, designed to recognize outstanding students that have shown great strides in academic success, leadership, strong character, and service to school and community.

The Commission on Presidential Scholars will select finalists later this month. Finalists will receive the Presidential Scholar Medallion during a White House-sponsored ceremony.
